Esther Schramm

mediator
mobbing and conflict consultant
scrum master/agile coach
neurodiversity consultant
peer counselor
speaker and trainer

member seit Q2/ 2018

kurzbeschreibung:

managing and celebrating (neuro) diversity

I am dedicated to supporting and empowering people to develop their competences, performance and happiness.

As a consultant, speaker and trainer I love optimizing processes for organisations and people and give support in conflicts and mobbing situations.

As a neurodivergent person I work also as a peer counselor and accessibility advisor in the workplace.

Take your Neuro Diversity Management to a new level! Go for neurodivergent task forces!
